Speaker: Amanda G. Smith, MD

**Topic: Research & New Developments
in Alzheimer's Disease**

Amanda G. Smith work focuses on the diagnosis and treatment of memory disorders, caregiver education and support, and clinical research in Alzheimer's disease. She is a USF Health correspondent to the Tampa Tribune on aging issues.

Speaker: Nancy Teten, LCSW, CAP

**Topic: Mild Cognitive Impairment as it
Relates to Caregiver Burden or Transcends
Caregiving**

Assistant Director of the Clinical and Translational Sciences Institute at the University of South Florida.

Speaker: Sgt. Jeff Massaro

Topic: Project LifeSaver/Safety Net

A resource for finding a lost person by the Hillsborough County Sheriffs Office.

Speaker: Megan Lambert, BS

**Topic: At Home Activity Ideas for Persons
with Dementia**

Megan Lambert is a Senior Recreational Therapist for the Hillsborough County Department of Aging Services.

Speaker: Slade V. Dukes, Esq.

**Topic: Legal Issues Related to
Aging and Dementia**

Slade V. Dukes serves as the program fellow for the Elder Consumer Protection Program and the project fellow for the Financial Scam and Fraud Elder Awareness Project at the Center for Excellence in Elder Law at Stetson University College of Law.

Speaker: Christopher Garrison, M.S., ARNP, CNE

**Topic: Medications and Challenging Behaviors:
Tips on How to Talk to your Doctor**

Nursing Instructor, USF College of Nursing

Speaker: Jerri Edwards, PhD

Topic: Brain Health

Assistant Professor, USF School of Aging Studies. Jerri is particularly interested in how cognitive interventions (often referred to as brain fitness programs or brain games) help older adults to avoid or at least delay functional difficulties and thereby maintain independence.
