

Dog Bite Prevention

SERVE has teamed up with Animal Services of Hillsborough County to provide speakers on Dog Bite Prevention for **Elementary** students.

The presentation includes educating children on how to recognize common dog behaviors and signals; things to do when you are approached by a threatening or dangerous dog; responsible pet ownership; the importance of vaccination; tagging of dogs and providing adequate needs for their survival.

If interested in this 30 minute program for students in **grades K-5**, please complete the form below and return to SERVE through school mail on Route 6.
