WHARTON HIGH SCHOOL – HOME OF THE WILDCATS

Dear Mrs. Brown,

I strongly appreciate you taking time out of your day to come to my class and inform me about everyday life and everyday possibilities. The things you told us about actually make sense and will somehow benefit myself and others. Most guest speakers usually come to our classes and basically waste time telling us about things that have nothing to do with my era, and with you it was the opposite. I actually listened and got involved. Thank you Ms. Brown. You have successfully informed me about the real world and real life situations, which made me very cautious about illegal activities that people participate in.

Sincerely,
Kayla

To Mrs. Brown,

Thanks for coming in and talking to our class about how we can be smarter with our decisions in life. Because of you, I believe I will be smarter with my choices.

Sincerely,
Jeff

Dear Mrs. Brown,

Thank you so much for taking the time to come into our class and give us the effective and enlightening presentations with useful information. I learned a lot and gained knowledge for when I'm out alone in the real world. I feel wiser in the subjects of credit/loans, renting vs. owning, college life, etc.

Sincerely,
Manuel
