- J. If the payment for the application fee or license fee is invalid or uncollectible for any reason.

SECTION 5: SECTION 9: REVIEW OF LICENSE DENIAL OR REVOCATION is hereby deleted in its entirety and replaced as follows:

SECTION 9: REVIEW OF LICENSE DENIAL OR REVOCATION.

Staff shall provide written notice of a denial of any new or renewal license specifying in writing the grounds for the denial. The applicant whose application has been denied (except for an incomplete application) may request a formal review of the denial before the County's hearing officer if the denial was erroneous. The applicant must send a written request for review indicating the specific alleged error or errors made by the County along with any and all facts that support the applicant's position the license was erroneously denied. The request must be received by Hillsborough County's Consumer Protection Agency within ten (10) business days of the date of the denial notice. The review shall be performed by an independent hearing officer appointed by the County to perform license reviews and hearings. The hearing officer shall review the applicant's request and all supporting documents to determine if sufficient cause exists to grant a hearing on the request. In the event applicant's request and supporting documents do not state a prima facie case error has occurred, the hearing officer may summarily dismiss the request and notify applicant in writing of the dismissal. Whenever, in the opinion of the hearing officer, an applicant's request and supporting documentation establishes a prima facie case of error, a hearing will be set and conducted for the hearing officer to rule upon the matter. The County Administrator shall adopt a policy establishing hearing procedures and hearings will be conducted in accordance with that policy. The decision of the hearing officer shall be final. Any clinic whose license is denied or non-renewed (except for an incomplete license application), shall be subject to the moratorium provisions of this Ordinance until or unless the denial or non-renewal is overturned on appeal by a court of competent jurisdiction.

Any clinic whose license is denied, non-renewed (except for an incomplete license application), or revoked, shall be subject to the moratorium provisions of this Ordinance and the clinic may not re-apply unless the denial or non-renewal is overturned on appeal. In addition, the owner(s) and the physician(s) listed on the application, regardless of the clinic's name, may not be an applicant for a license renewal at another clinic while the moratorium is in effect or for a period of five (5) years, whichever is longer unless the individual was previously the applicant for that clinic, or unless the denial or non-renewal is solely based on an incomplete application.

An applicant whose license is revoked by Staff, may request a review of the revocation before the Code Enforcement Board, in writing. The request must be received by Hillsborough County's Citizen Boards Support Office within ten (10) business days of the date of the notice. The review shall be assigned to either the Code Enforcement Board or the Code Enforcement Special Magistrate. Hearings will be conducted in accordance with Hillsborough County Ordinance No. 05-5 which governs code violations. The decision of the Code Enforcement Board or Special magistrate shall be final.

Any license that has been denied, non-renewed or revoked may not be reissued to the clinic location, regardless of the clinic's name, while the moratorium is in effect or for a period of five (5) years, whichever is longer; except, that when a denial or non-renewal is solely based on an incomplete application, there is no prohibition against reapplying as provided for elsewhere in this Ordinance.

SECTION 6: SECTION 13: ENFORCEMENT AND PENALTIES, PARAGRAPHS NUMBERED 1 THROUGH 3, are hereby deleted and replaced as follows:

1. Revoking of the County Pain Management Clinic License; or
2. Pursuing injunctive or declaratory relief in a court of competent jurisdiction; or
3. Initiating any action to recover any and all damages that may result from a violation of or refusal to comply with any part of this Ordinance; or
4. Utilizing any other action or enforcement method allowable by law.

SECTION 7: SEVERABILITY.

If any section, subsection, sentence, clause, phrase or provision of this Ordinance is for any reason held invalid or unconstitutional by any court of competent jurisdiction, such holding shall not be construed to render the remaining provisions of this Ordinance invalid or unconstitutional.
