Rep. Seth McKeel, chair of the Hillsborough County Legislative Delegation, has announced that the Delegation will hold its annual meeting with other elected officials (known as “the Roundtables”) and hear all local bills which have been filed as well as from speakers who will be seeking appropriations or general legislation.

The meeting is set for Tuesday, September 27, in Oval Theater in the Marshall Student Center on the campus of the University of South Florida beginning at 9:00 a.m. The Roundtables begin the meeting followed by local bills and concluding with other speakers. Rep. McKeel also announced that Noon, September 12, is the deadline for filing local bills while Noon, September 19, is the deadline for filing to speak on appropriations issues or general issues. Forms for local bills and for speakers on other issues are on the Delegation’s Website at www.hillsboroughcounty.org/legislativelegation and then link to “Regular Session.”

All meetings of the Delegation are open to the public.
