

# Tiny Tots Program Begins in January

Hillsborough County's Parks, Recreation and Conservation Department's Tiny Tots Program is a free pre-school preparedness program for tots ages 3-5. The children learn how to share, respect others and follow directions. Activities are designed to build strength and coordination and inspire creativity. They also work on letter and number recognition. The Tiny Tots Program also includes seasonal family activities, a Tot's graduation and the Tiny Tot Olympics.

What a great opportunity for moms and dads too!
