REQUIREMENTS FOR DEMOLITION PERMITS

1. A letter must be obtained from Tampa Electric.
Telephone: 813-225-5153 / FAX: 813-314-4677.
2. Hillsborough County Water Resource Services (WRS) must sign your application. The application may be faxed to one of the FAX numbers indicated below. Please call 813-272-5977 and ask to speak with a Customer Service Representative in Service Availability if you have any questions.

WRS Customer Service Center, South-Central
332 N. Falkenburg, Tampa FL 33619
FAX: 813-635-7386.

WRS Customer Service Center, Northwest
15610 Premiere Drive, Tampa FL 33624
FAX: 813-264-8915.

3. Verizon must schedule and complete a site inspection before your permit application can be signed.
Telephone: 813-971-3347 / Cell: 813-431-2170 / FAX: 813-971-1509.
4. The Health Department must sign your demolition permit application. If the property is connected to a septic system, it may be necessary to obtain an abandonment permit. If the property is hooked up to a sewer system, bring verification to the Health Department with your application.

Telephone: 813-307-8059 / Address: 1105 E. Kennedy Blvd.

5. Commercial Property: Follow the instructions listed above. In addition, an Environmental Protection Commission Asbestos Project Information Form must be submitted along with the Demolition Permit Application.

Telephone: 813-627-2600 ext. 1261 / Address: 3629 Queen Palm Drive, Sabal Park.
