Dear Commissioner Hagan:

We just wanted to inform you that we are glad to have Robert Martin working in the South County Building Department. We like the small town feeling and to be able to have friendly people to work with. He helped us work out a problem and went above and beyond the call of duty to help us. Also Luis Benitez, Sylvia Angeles and Kathy Wright need to be commended for the help and friendly service in getting our Permits ready in a timely manner.

Sincerely

Kenneth Knox
