

*Effective June 1, 2010, Declaration Forms for on-line permitting will be accepted thru walk-ins, fax or the U.S. Postal Service. Faxed forms must be notarized and signed by the licensed contractor. Walk-ins will be accepted at the County Center location only. The fax number is **(813)-276-8583**.

Utilizing this process will expedite the turnaround time for stand-a-lone permits, to one day.

*Effective June 1, 2010, we have added an additional feature to our on-line permitting service. Fees can now be accepted for all permitting activities thru our on-line permitting website (Velocity Hall). This process includes all types of payments and balances owed such as: Impact fees, Partial payments, Code violations, etc.

NOTE: IN ORDER TO USE THIS SERVICE, THE ENTIRE BALANCE MUST BE PAID IN FULL

We accept: Visa, MasterCard, American Express and Discover and you must have a registered e-mail account with on-line permitting/Velocity Hall (see link below).

* Denied Status Notification - a notification will automatically be sent out to the applicant once the status of the permit is posted as **DENIED** and after comments are entered by the plans examiners and graphic technicians at the L/H/N screen in Permits Plus. This feature will eliminate the plans examiners from making phone calls, sending faxes, and/or emails to applicants once their plans are denied. The system automatically sends these notifications via email and/or fax.
