**INTERACTIVE VOICE RESPONSE SYSTEM (IVRS)**

Please Note: In order to use this phone system, you must have your permit/project number available.

Interactive Voice Response System (IVRS) inspection scheduling numbers: (813) 272-5613, (813) 272-5618, (813) 272-5648, (813) 272-5639, regardless of inspection type.

**Instructions on Use:**

At the main menu, choose from the list of options provided. You must call from a touch tone phone, some cell phones such as Blackberry's and iPhones will not work. Inspections can be requested 7 days a week from 7 AM to 10 PM. Inspections called in by 10 PM can be scheduled for the next day or for up to 5 working days ahead. Please stay on the line to receive your inspection confirmation number. **Note: If you do not receive a confirmation number, your inspection may not be scheduled.** A confirmation number, however, does not guarantee an inspection on a given day since workloads vary. If you need assistance, please press '0' to speak to a representative during business hours; 7 AM to 4 PM. **You can also visit the website to schedule inspections online.**

Click on Try our new Online permitting system; choose the link: Check on permits or to look up Address and Parcel details. This will take you to the Accella website. Go to the bottom of the page and choose View/schedule Inspections and follow directions.

**Menu Options:**

- 1 - To schedule an inspection ( and request automatic results notification)
- 2 - To hear inspection results
- 3 - To cancel an inspection
- 4 - To check on electrical releases or certificate of occupancy status
- 5 - For all other permitting services, including building plans review, building code impact fee trust accounts
- 6 - To use our staff directory ( during business hours)
