

Background: At the August 10, 2011 PTC meeting, it was announced that there were 14 available taxicab permits. Ten would be available to certificate applicants applying for additional taxicab permits and for new taxicab certificate applicants who do not currently have a PVDL. The other four are for new taxicab certificate applicants that currently hold a valid PVDL in addition to other criteria as listed in the proposed emergency rules regarding the “Driver Ownership Program” which were approved at the August 10, 2011 PTC meeting (those will be available to hand out with a cover page that the applicants have to read, sign, and date.

Procedure:

- 1) We will be accepting new taxicab certificates and additional taxicab permit applications from September 1, 2011 to September 30, 2011.
- 2) We will not receive any taxicab certificate applications, for additional or new taxicab permits, without an appointment with Jackie for her review.
- 3) All taxicab applications must be identified either as new applicants without a PVDL, new applicants with a PVDL and applications for additional taxicab permits.
- 4) When the applications for taxicab certificate and permits are received, they must all be date-stamped, they will be received without payment, and we will not accept any incomplete taxicab applications. If it is determined that the application is incomplete, they will have to schedule a new appointment with Jackie and re-submit the application for further review.
- 5) We will be using colored paper to assist in identifying which type of application, new taxicab application with PVDL, new taxicab application without a PVDL, and application for additional taxicab permits.
